PREMIUM ABDOMINAL BINDER

HCPCS: L0625

SIZE: See Size Chart Below

FEATURES:

- Available in 3" and 4' panels
- Form-fitting, breathable abdominal binders conform to different patient shapes for improved compression
- Made of soft foam and high quality elastic with Velcro™ closure
- Latex Free

INDICATIONS: Commonly used to augment the recovery process after abdominal surgery like exploratory laparotomy, cesarean section, bariatric surgery, hysterectomy or spinal surgery.

HOW TO APPLY: Apply in a standing or laying position. Open the binder to its fullest length with the care tag on the inside. Center the height of the binder at the navel with the seam centered in the back. The hook should be on the right side. Stretch both sides and wrap the sides without the hook around the body first. Secure the hook onto the loop portion. Support should fit snug but not too tight.

CARE INSTRUCTIONS: Hand wash in cold water with mild soap. Wrap in a towel to remove excess water (do not twist or wring). Air dry away from heat.

Size Options Available: 3 Panel is 9" Height & Waist 30" – 45"
3 Panel is 9" Height & Waist 45" – 62"
4 Panel is 12" Height & Waist 30" – 45"
4 Panel is 12" Height & Waist 45" – 62"
